## **Minutes**

### **1. Club Awards Dinner.**

The Club awards dinner has had 35 people sign up to date. It has been noticed that in previous years the sign up has generally been late. There is no need to panic at this stage and regular reminders will be sent out as well as leaving the invitation at the top of the website home page.

VP will be away for a week leading up to the event, SS will take charge of the organisation and act as a point of contact for the Venue.

It was decided that active coaches will be subsidised for their tickets.

### **2. Opening Up Training to Non Members.**

There has been some interest as to whether the club will open up swimming sessions to non members for £5 a time. After discussion it was decided not to offer this.

There is generally good demand for the sessions and it was decided that this may put unnecessary demand on the coaches who are ultimately there to support the club members.

It was also discussed that it may be beneficial to have session plans available to members through the website. The sessions currently on the website are out of date and should not be followed.

### **3. Weekly Email.**

DW performs a great service to the club by keeping members up to date with the news letter. While this is useful it was decided that this may be too often and that it would be an idea to do the news letter bi weekly and also to include any results that

members may have posted through the period.

**AOB**

SS thanked the committee for the work that they had done for the year and the date was set for the next meeting, the first of the new Committee, to be Monday the 14th of November, with the room also booked for Decembers Meeting as Monday the 5th of December.
